GOLDEN BALL

Entirely grown, vinified and bottled on the property. The Golden Ball is located in North East Victoria within the Geographical Wine Indication of Beechworth. From an English land grant of 1857 Mr Isaac Phillips named the 1900 acres, Golden Ball after his favourite London hotel. Presently, now 53 acres, the property purchased in 1996 by James McLaurin. Consisting of the 1996 Original Vineyard and in 2005 the Lineage Vineyard. Our philosophy of care to our land encompasses our vineyards as well as the remaining are of Golden Ball with tree planting and water care.

2016 Golden Ball "la-bas" Chardonnay, Beechworth, VIC...\$112

A complex chardonnay typical of the Beechworth region, with creamy yeast-lees and nougat aromas. The acidity is fresh and lively, the structure fine, taut and lingering. An engaging, characterful chardonnay.

2013 Golden Ball "Saxon" Shiraz, Beechworth, VIC...\$105

Dark fruits, bramble, length of oak. Tannins there for the stead of time. The acid balance to carry the mouth filling fruit. A more inline wine, finer than the 2010 vintage; will hold well to cellar.

Chardonnay

“Australia’s great white hope. While Chardonnay has had a shaky past in Australia, it is well and truly back in the spotlight. International wine media think this is one of the best things we are doing at the moment, and we tend to agree. A classic grape with seemingly limitless expression, and almost all of them delicious.”

Other White Varietals

“These are not the normal wines you see on shelves, they have been around for hundreds of years but are seen less often. It’s really easy to fall into drinking the same stuff all the time, and there’s nothing wrong with that, but you can miss out on some pretty cool stuff.”

2015 Crittenden Estate Fume Blanc, Mornington Peninsula, VIC..... 55

The Fume Blanc is a name for Sauvignon Blanc that is fermented in oak. Most Sauvignon Blanc are fermented in stainless steel, which keeps this super fruity and aromatic. Fume Blanc, being fermented in wood, are more savoury, a little fuller and very tasty. They also age better

2017 Chalmers Vermentino , Heathcote, VIC..... 55

Imagine a Riesling without the aromatics. Vermentino is a perfect pairing with seafood or things that are salty. Light on its feet, unwooded and refreshing.

2017 Pike and Joyce Gruner Veltliner, Adelaide Hills, SA..... 65

2017 Domaine Wachau Gruner Veltliner, Wachau, AUSTRIA..... 60

2017 Badenhorst Sacatuers Chenin Blanc, Swartland, South Africa..... 60

The Badenhorst comes from South Africa, one of the ancient lands of wine production. South Africa is going through a revival, or a rebirth of cool, if you will. This Chenin has terrific texture and bright acid. It’s part of the natural side of the wine world, but clean and vibrant. It delivers lovely mouth feel (it just means its got a richness to it), notes of apples, pastry and spice and a whole glass of interest.

Pinks

“Are awesome. It seems a shame that they are grouped merely by colour as the diversity in Pink wines is as great as any of the other colours (red white and orange). Perfect as a winter white type drink or a light bodied red, they go with all kinds of food and rarely disappoint.”

2017 La Linea Rose, Adelaide Hills, SA..... 52

2017 Marchand & Burch Villages Rose, Western Australia..... 57

2017 Craiglee Rose, Sunbury VIC..... 47

2017 Athletes of Wine Sparkling Rose PET NAT, Macedon Ranges, VIC..... 58

There’s probably a good chance you’ve heard the words “Pet Nat” It’s definitely a little trendy at the moment but in actuality this type of wine making has been around for thousands of years. Basically the natural fermentation of must into wine is stopped before is completely finished, without the addition of secondary yeasts or sugars.

2016 Chiara Boschis Dolectto, Barolo, ITALY..... 67

Chiara Boshis is a legend. Her wines offer purity and power. Whilst the grape is called the "little sweet one", the wine is savoury and vibrant and brings with it a bag of tannin and refreshing acidity. Perfume for days, pleasure for as long as you keep drinking it. You'll want a meat selection or something to accompany the structure in this wine, it needs it, and you'll want it.

Cabernet Sauvignon & Blends

2014 Stone Dwellers Cabernet Sauvignon, Strathbogie Ranges VIC..... 52

2015 Nocturn Cabernet Sauvignon, Margaret River, WA..... 70

Beautiful. It took me ages to find the start of this note, but in essence, this wine is just beautiful. There is heaps of fruit, there is plenty of structure, it's amplified but not so much you want to only have a sip. You'll want to bathe in this wine. Cassis, cedar and tobacco, all the classic Cabernet notes are present, but in the new world fruit spectrum which is so bright and energetic. This is so very delicious.
